

Basic Policy against Anti-Social Forces

KIP has established the following basic policy about interaction with anti-social forces.

- (1) KIP uses an organizational response to deal with anti-social forces.
- (2) KIP cooperates with external organizations with specialized skills concerning anti-social forces in conjunction with any interaction with these forces.
- (3) KIP refuses to have any relationship at all with anti-social forces.
- (4) When there is an incident involving anti-social forces, KIP will respond by using legal action involving civil and criminal laws.
- (5) KIP will never engage in secret transactions with or provide money to anti-social forces.
